Dear Prof Henning

Iurisprudentia 100

Congratulations! The Faculty of Law of the University of the Free State has indeed been an example of excellence in legal education, training and research. The Centre for Business Law and its monograph series has been an unrivalled trend-setter in law.

May the "new" centenarian continue for many years to contribute to the law, its learning, development and practice, in a sound, vibrant and innovative way!

With best wishes

Anton Trichardt
